Open Space Quality Audit

Urban parks assessment

Park Name & Category (Typology)

Date

Assessors

Present Status of Features

Feature	Number Lost	In use & in good/ reasonable condition	Useable but not used	Derelict & abandoned	In use but in urgent need of repair	Cost estimate to reinstate
Arboricultural features						
All weather surfaces						
Aviary/pets corner						
Bandstands						
Boathouses						
Bowling Greens						
Bridges						
Café/Tea bars						
Carparks						
Events Areas						
Fountains						
Fencing						
Golf/putting						
Grass pitches						
Grasslands						
Grottos						
Horticultural features						
Ice- houses						
Indoor Facilities						
Lake/pond						
Boating pools						
Lodges						
Mansions						
Memorials/statues						
Monuments/follies						
Ornamental gates/posts						
Paddling pools						
Pergolas						
Playgrounds						
Public glasshouses						
Shelters/pavilions						
BMX ramps						
Seating						
Signage/Interpretative						

### Present Status of Features

Feature	Number Lost	In use & in good/ reasonable condition	Useable but not used	Derelict & abandoned	In use but in urgent need of repair	Cost estimate to reinstate
Tennis courts						
Toilets						
Visitors Centres						
Walled Gardens						
Other						

**TOTAL ESTIMATED COST**

### Condition of Park

	Park overall	Built Structures	Railings	Drives & paths	Trees	Shrubs	Bedding	Grass	Water Features/ facilities	Seats
Good (G) Fair (F) Poor (P)										

Quality Assessment

Quality Criteria	Score (out of 10)	Comments
1. Welcoming		
2. Good and safe access		
3. Signage		
4. Equal Access for all		
5. Safe equipment & facilities		
6. Personal security in park		
7. Dog fouling		
8. Appropriate provision of facilities		
9. Quality of facilities		
10. Litter & waste management		
11. Grounds maintenance		
12. Building & infrastructure management		
13. Equipment maintenance		
14. Environmental sustainability		
15. Pesticides		
16. Peat use		
17. Waste recycling		
18. Horticulture & arboriculture		
19. Energy & natural resource conservation		
20. Conservation of natural features		
21. Conservation of landscape features		
22. Conservation of buildings & structures		
23. Community involvement in management & development		
24. Appropriate provision for the community		
25. Marketing		
26. Provision of information		
27. Promotion of park		
28. Implementation of management plan		
<b>Total</b>		
Average (total divided by 28)		
<b>Out of 100</b> (Average x 10)		

## Historic Assessment

Condition/Enjoyment/Maintenance	Score (out of 10)	Comments
1. Good conservation standards		
2. Historic features given prominence		
3. Restoration/re-creation of historic features		
4. Historic features in use/intact		
5. Historic features integrated into cultural events		
6. Historic leisure /sports facilities in use and maintained		
7. Information available, evidence of enjoyment by public		
8. Landscape/views not fragmented		
9. Horticultural displays contribute to historic character		
10. Continuity in historic horticultural collections		
11. Retain/replace detailing on buildings & other infrastructure		
12. New/replacement features conserve or enhance historic character and appearance		
<b>Total</b>		
Average (total divided by 12)		
<b>Out of 100</b> ( average score x 10)

Risk Assessment

Risk	Risk Rating <sup>1</sup>	High	Med	Low
1. Lack of Use	Impact	✓		
	Likelihood		✓	
<b>Sub-headings</b>				
<p>Local communities do not value OS as an/asset pressure for social housing</p> <p>Local people do not take ownership</p> <p>Cynicism and apathy lead to lack of use</p> <p>Users do not use space external bodies take control of space</p> <p>Area in which park is situated gives rise to paramilitary input</p> <p>General standards never really improve</p> <p>More vandalism, anti social behaviour, vicious cycle of lower standards and poor maintenance</p> <p>Conflict with other community users i.e. facility management may restrict other users, or too much for one group of users</p> <p>Need for sports pitches, needs of children young people usage and provision not addressed</p> <p>Poor accessibility to parks e.g. opening hours</p> <p>Unfriendly / unhelpful staff or no park staff</p> <p>Low usage pressure to sell, members, developers etc</p> <p>Elderly peoples needs are not addressed</p>				
<b>How this risk is currently managed</b>				
<p>Strategy</p> <p>Policy statement</p>				
<b>Additional actions required to fully manage the risk</b>				<b>Target Date</b>
<p>Capacity building activities:</p> <ul style="list-style-type: none"> <li>• Communication strategy and methodology</li> <li>• External stakeholders Forum (Dev. Of Greenspace Regional Forum)</li> <li>• Management Boards / Friends Groups</li> </ul>				<p>2007</p> <p>2007</p> <p>2010</p>
<p>Published service standards based on green flag – linked to management plans</p>				
<p>Management plans for individual parks based on CABE Space &amp; Green Flag Guidance. To include:</p> <ul style="list-style-type: none"> <li>• Activities</li> <li>• Openings hours – including well lit areas</li> <li>• Events</li> </ul>				<p>2010</p>
<p>Training plan for staff</p>				<p>2006</p>

<sup>1</sup> Risk ratings to be determined

Risk	Risk Rating	High	Med	Low
<b>2. Communication and Marketing</b>	Impact	✓		
	Likelihood		✓	
<b>Sub-headings</b>				
<p>Failure in communicating to all key stakeholders the aims objectives vision of OSS</p> <p>No communication strategy or plan, failure to understand the importance / scope of communication</p> <p>No mechanisms to manage Community change, cultural shift re customer strategy focus changes in members</p> <p>No mechanisms to ensure effective information flow between stake holders both internal and external</p> <p>No systems to manage stakeholders expectations, includes systems to address user feedback</p> <p>All communication methods not identified or utilised</p> <p>No mechanisms to ensure operational staff are aware of actions on site fit with overall strategy, no buy in or awareness</p> <p>Responsibility for communication to funders not defined</p>				
<b>How this risk is currently managed</b>				
<p>Marketing and communication strategy (subject to funding and budget)</p> <p>Consultation 1-1 meetings ongoing with key stakeholders</p> <p>Planned work shop and awareness training</p>				
<b>Additional actions required to fully manage the risk</b>				<b>Target Date</b>
Negotiations with Green space re forum in NI				2006
Open space team set up – lead person, responsibilities, meetings etc				2006

Risk	Risk Rating <sup>2</sup>	High	Med	Low
<b>3. Strategy and Management Structures</b>	Impact	✓		
	Likelihood		✓	
<b>Sub-headings</b>				
<p>Weak top level commitment at the outset, Members CEO, COMT.</p> <p>Lack of interest in the strategy; potential of strategy not achieved</p> <p>Strategy poorly constructed</p> <p>Not integrated into corporate plan</p> <p>No effective management structure e.g. project plan allocated responsibility reporting lines</p> <p>Insufficient resources or specialised skills, expertise to deliver strategy</p> <p>Unclear objectives, targets not relevant or specific</p> <p>Poor change management procedures – no additional consultation, communication</p> <p>Agreement on new structure takes a long time, in particular where it requires involvement of members</p> <p>No monitoring and review mechanisms</p> <p>Linkages to other sections – dependency on others to deliver</p> <p>Lack of resources to build community capacity</p> <p>Insufficient resources to manage / implement the strategy</p> <p>Agreed performance indicators for open space – work together towards improvement towards the service</p> <p>Accountability- reporting mechanisms-short frequent reports to committee to keep members interest.</p> <p>Performance managed</p>				
<b>How this risk is currently managed</b>				
<ul style="list-style-type: none"> <li>• Corporate plan as a key priority approved by sub committee</li> <li>• Allocated responsibilities in Corporate plan</li> <li>• KPI's in strategy</li> <li>• Restructuring of department</li> </ul>				
<b>Additional actions required to fully manage the risk</b>			<b>Target Date</b>	
Monitoring of KPI's			Annually	

Risk	Risk Rating	High	Med	Low
<b>4. Financial/funding – internal</b>	Impact	✓		
	Likelihood		✓	
<b>Sub-headings</b>				
<p>Lack of funding for strategic objectives, Council or external  Funding options are limited, no regional Government agenda  Clear financial reporting linked to strategy  Poor alignment of funding (development) strategies  Unable to align the strategy and individual projects  Staff establishment &amp; costs exceed existing figures  Difficult to budget long term Councils operate on a yearly estimate system  Annual budget round &amp; setting rate poundage, pressure on revenue estimates  Aligning funding cycles with Corporate financial systems</p>				
<b>How this risk is currently managed</b>				
<ul style="list-style-type: none"> <li>Initial criteria built in after meeting with funders</li> <li>£8 million of matched Council funding agreed</li> <li>Implement 3 year budget</li> </ul>				
<b>Additional actions required to fully manage the risk</b>				<b>Target Date</b>
Build stronger links with C&L finance staff				2006

Risk	Risk Rating <sup>3</sup>	High	Med	Low
<b>5. Financial/funding – external</b>	Impact	✓		
	Likelihood	✓		
<b>Sub-headings</b>				
<p>Failure to attract funds</p> <p>Money spent, funders do not release funds</p> <p>Not able to manage funds within set timescale</p> <p>Funding opportunities missed if strategy not agreed in the short term</p> <p>Unable to find the time to account to funding especially if there is a cocktail of funders, misunderstanding of funders needs</p> <p>No dedicated resource to undertake detailed application process and review process</p> <p>Lack of community skills / public support to develop funding packages</p> <p>No priority for servicing and applying for funds</p> <p>Being funding led not priority driven, shift from strategy</p> <p>Reliability of funding streams – often short term or to specific</p> <p>Limit of funding obtainable by Council often focused on the community making the application</p> <p>Community groups change also change direction</p> <p>Funding may not be secured</p> <p>External partnerships may not be strong enough or meet the requirements to realise funding potential</p>				
<b>How this risk is currently managed</b>				
<ul style="list-style-type: none"> <li>• Groundwork support - Area Partnership Boards</li> </ul>				
<b>Additional actions required to fully manage the risk</b>				<b>Target Date</b>
Action plan – including nominated liaison person re Community groups				2007
Need to develop links with Community Development re community centre with green spaces				Ongoing
