Please see further details of the terms and conditions relating to this post set out below:

Appointment

The appointment will be made by the selection panel, but will be subject to ratification by the director of the relevant department.

There may be a reserve list of applicants drawn up for this post which would last for a maximum of 12 months. Should a similar post become vacant within this time, it may be offered to those on the reserve list, in order of merit, without further interview. For generic-type posts, this may include posts in another department. **These posts may be either full-time, part-time or job-share on a temporary (including fixed-term) basis.**

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position.

However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone numbers or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit by emailing jobs@belfastcity.gov.uk with your new contact details.

There is currently one temporary, full-time post until 31 March 2026, subject to review. An existing permanent employee of Belfast City Council will, if successful, be appointed on the basis of undertaking a 'temporary cover' post with the right to return to their substantive

post at the conclusion of the 'temporary cover' post. An existing temporary or fixed term contract employee will, if successful, be appointed on the basis of a further temporary or fixed term contract into a 'temporary cover' post but with no automatic right to revert back to their original temporary or fixed term contract post. Similarly, an existing agency assignee will, if successful, be appointed on the basis of a 'temporary cover' post but with no automatic right to revert back to their original agency assignment. Temporary and fixed term contract employees and agency assignees should give consideration to this prior to applying or accepting this post.

Job details

Job description: please refer to the job description for details of the duties of the post.

Employee specification: please refer to the attached employee specification for details of any qualifications, licences, memberships of professional bodies, experience etc. which are required for the post. Please also be advised that an applicant must provide evidence to demonstrate that they were in possession of such qualifications, licences, memberships etc. at the closing date for applications.

The employee specification for this post requires candidates to have a full, current driving licence which enables them to drive in Northern Ireland, or, "access to a form of transport which enables them to meet the requirements of the post in full". Please be advised that this alternative is a 'reasonable adjustment' specifically for applicants with disabilities who, as a result of their disability, are unable to hold a full, current driving licence. Please also be advised that, given the business need for the post-holder to interact with all departments within the council, organise and attend seminars / events, and carry out on-site audits, the 'reasonableness' of this adjustment will be thoroughly considered prior to any appointment being made.

Any disclosed convictions will be taken into account only when the conviction is considered relevant to the post and will be seen in the context of the job, the nature of the offence and the responsibility for the care of existing client/customer and employees.

If the person appointed acquires a conviction throughout the course of their employment with Belfast City Council, they must bring this to the attention of their line manager/departmental HR representative. Service and hours of duty

The hours of duty are 37 per week, working five days per week, Monday to Friday. Flexible working hours are in operation between 7.30am and 6.30pm, with set core times that the person appointed must be in work. However, the person appointed will be required to start and finish work at specific times that suit the operational needs of the service and they will, when advised, be required to work outside of these hours for operational reasons including on extra statutory, bank and/or public holidays.

In accordance with the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service variations to the established working week or patterns of work will be reasonable and subject to adequate notice.

Annual leave

Annual leave and extra statutory, bank or public holiday entitlement is calculated in hours/minutes.

A person appointed on the standard full time hours of 37 per week will be entitled to 177.6 hours (24 days) annual leave, plus 88.8 hours (12 days) bank or other holidays.

Annual leave entitlement will be increased by 37 hours (5 days) in the case of officers who have not less than 5 years' continuous service and by a further 22.2 hours (3 days) in the case of officers who have not less than 10 years' continuous service.

Figures in brackets represent the number of days based upon a standard day of 7.4 hrs.

For individuals who do not work the standard full-time hours, annual leave and extra statutory, bank or public holiday entitlement will be calculated on pro-rata basis to their contracted hours, based on the standard full time hours of 37 per week and a standard day of 7.4 hours (i.e. 7 hrs 24 minutes).

Employees are entitled to a holiday with a normal day's pay for each of the statutory, general and public holidays as they occur. Where the balance of the employee's public / bank and statutory holiday entitlement has been exhausted, additional leave taken for public / bank and statutory holidays will be deducted from the employee's annual leave entitlement.

All employees required to work on extra statutory, bank or public holidays will be remunerated in accordance with Part 3, paragraph 2 of the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service.

The leave year commences on 1 April. If an employee starts part way through the annual leave year, the employee will receive annual leave entitlement on a pro rata basis, calculated on the number of days remaining in the current leave year from the first day of employment.

Sick leave

This scheme is intended to supplement Statutory Sick Pay and Incapacity Benefit so as to maintain normal pay during defined periods of absence on account of sickness, disease, accident or assault. Absence in respect of normal sickness is entirely separate from absence through industrial disease, accident or assault arising out of or in the course of employment with a local authority. Employees are entitled to receive sick pay for the following periods:
