Appointment

The appointment will be made by the selection panel, but will be subject to ratification by the director of the relevant department.

There is currently one full-time, permanent post within the Acquired Solutions Team. This team is responsible for the procurement, implementation and management of departmental and corporate business systems, and the successful candidate will be expected to work within these fields.

While this is a generic post, there are various specialist areas within Digital Services that require specific experience and skills. Following the application and interview process, a reserve list may be compiled for future vacancies that may arise in the Acquired Solutions Team. This reserve list would last for a maximum of 12 months and posts may be offered to those on the reserve list, in order of merit, without further interview. These posts may be either full-time, part-time or job-share on a permanent, temporary or fixed term basis. If, however, a Senior Digital Consultant vacancy arises in another team within Digital Services, applicants on reserve list for Acquired Solutions will not be eligible and may have to reapply.

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position.

However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone numbers or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit by emailing jobs@belfastcity.gov.uk with your new contact details.
